

Meet the Teacher

February 2018

Dear Parents/Guardians,

Hello! My name is Kristy Watson and I am so excited to be apart of the St Bernadette's team. More importantly, I am THRILLED to be your child's new Indonesian teacher.

I would like to begin by telling you a bit about myself. I graduated from Murdoch University with a Bachelor's degree in Tourism and Asian Languages (Indonesian) and subsequently in later years in Primary Education. This will be my fourth year of teaching. Prior to St Bernadette's I worked as the Indonesian languages teacher and a year 1 classroom teacher at Mother Teresa College and thoroughly enjoyed it.

Outside of the classroom, I enjoy travelling, spending time with my family and friends, indulging in a good book and competing in all types of sports.

This year our students will become familiar with many aspects of the Indonesian language in the WA Curriculum and our learning will be supported with the use of a variety of cultural activities, including songs, arts and crafts, cooking and digital technologies from time to time.
